The 1955

Monrovia

Superintendent

VAN D. ODOM

When Mr. Odom came to the Monroe City Schools, he was president of the Louisiana Education Association, and one of the outstanding leaders in Louisiana public education.

Tacitus summed up his qualities centuries ago when he wrote:

"Reason and calm judgment, the qualities specially belonging to a leader."

His inspiration and leadership lead the system to greater achievement.

In Memory of

When sudden death took Mr. Martin from our midst, all Monroe citizens, teachers in the schools, and students knew they had lost a true friend whose untiring efforts made for a better school system in the city.

In Memoriam

LANIER DHU THOMPSON

His untimely death was a shock to all. But never was there a more valiant fighter. With an almost unbearable handicap, he stayed with his school work several months after many would have given up.

He loved his teaching, and yelled for his team as much as, or more than, any student or teacher at Neville. The void that has been created can hardly be filled.

THE LIBRARY is an important place in any school. At Neville, it is both a place of learning and also one of recreational reading. Books have a wide circulation under the expert hand of Miss Geneva Washburn, Librarian.

Students with all types of academic problems have long since found that Miss Washburn has much experience in library work and materials, and can readily find, or indicate how to find, the sought-after materials.

Seated, second row: Louise Moak, Sandra Lee, Toni Hubka, Susan Wilson, Donna Guyton, Sheila Townley. Kneeling, front row: Ava Carter, Diane Sanchez, Mary Jane Young and Nelwyn Hays.

English

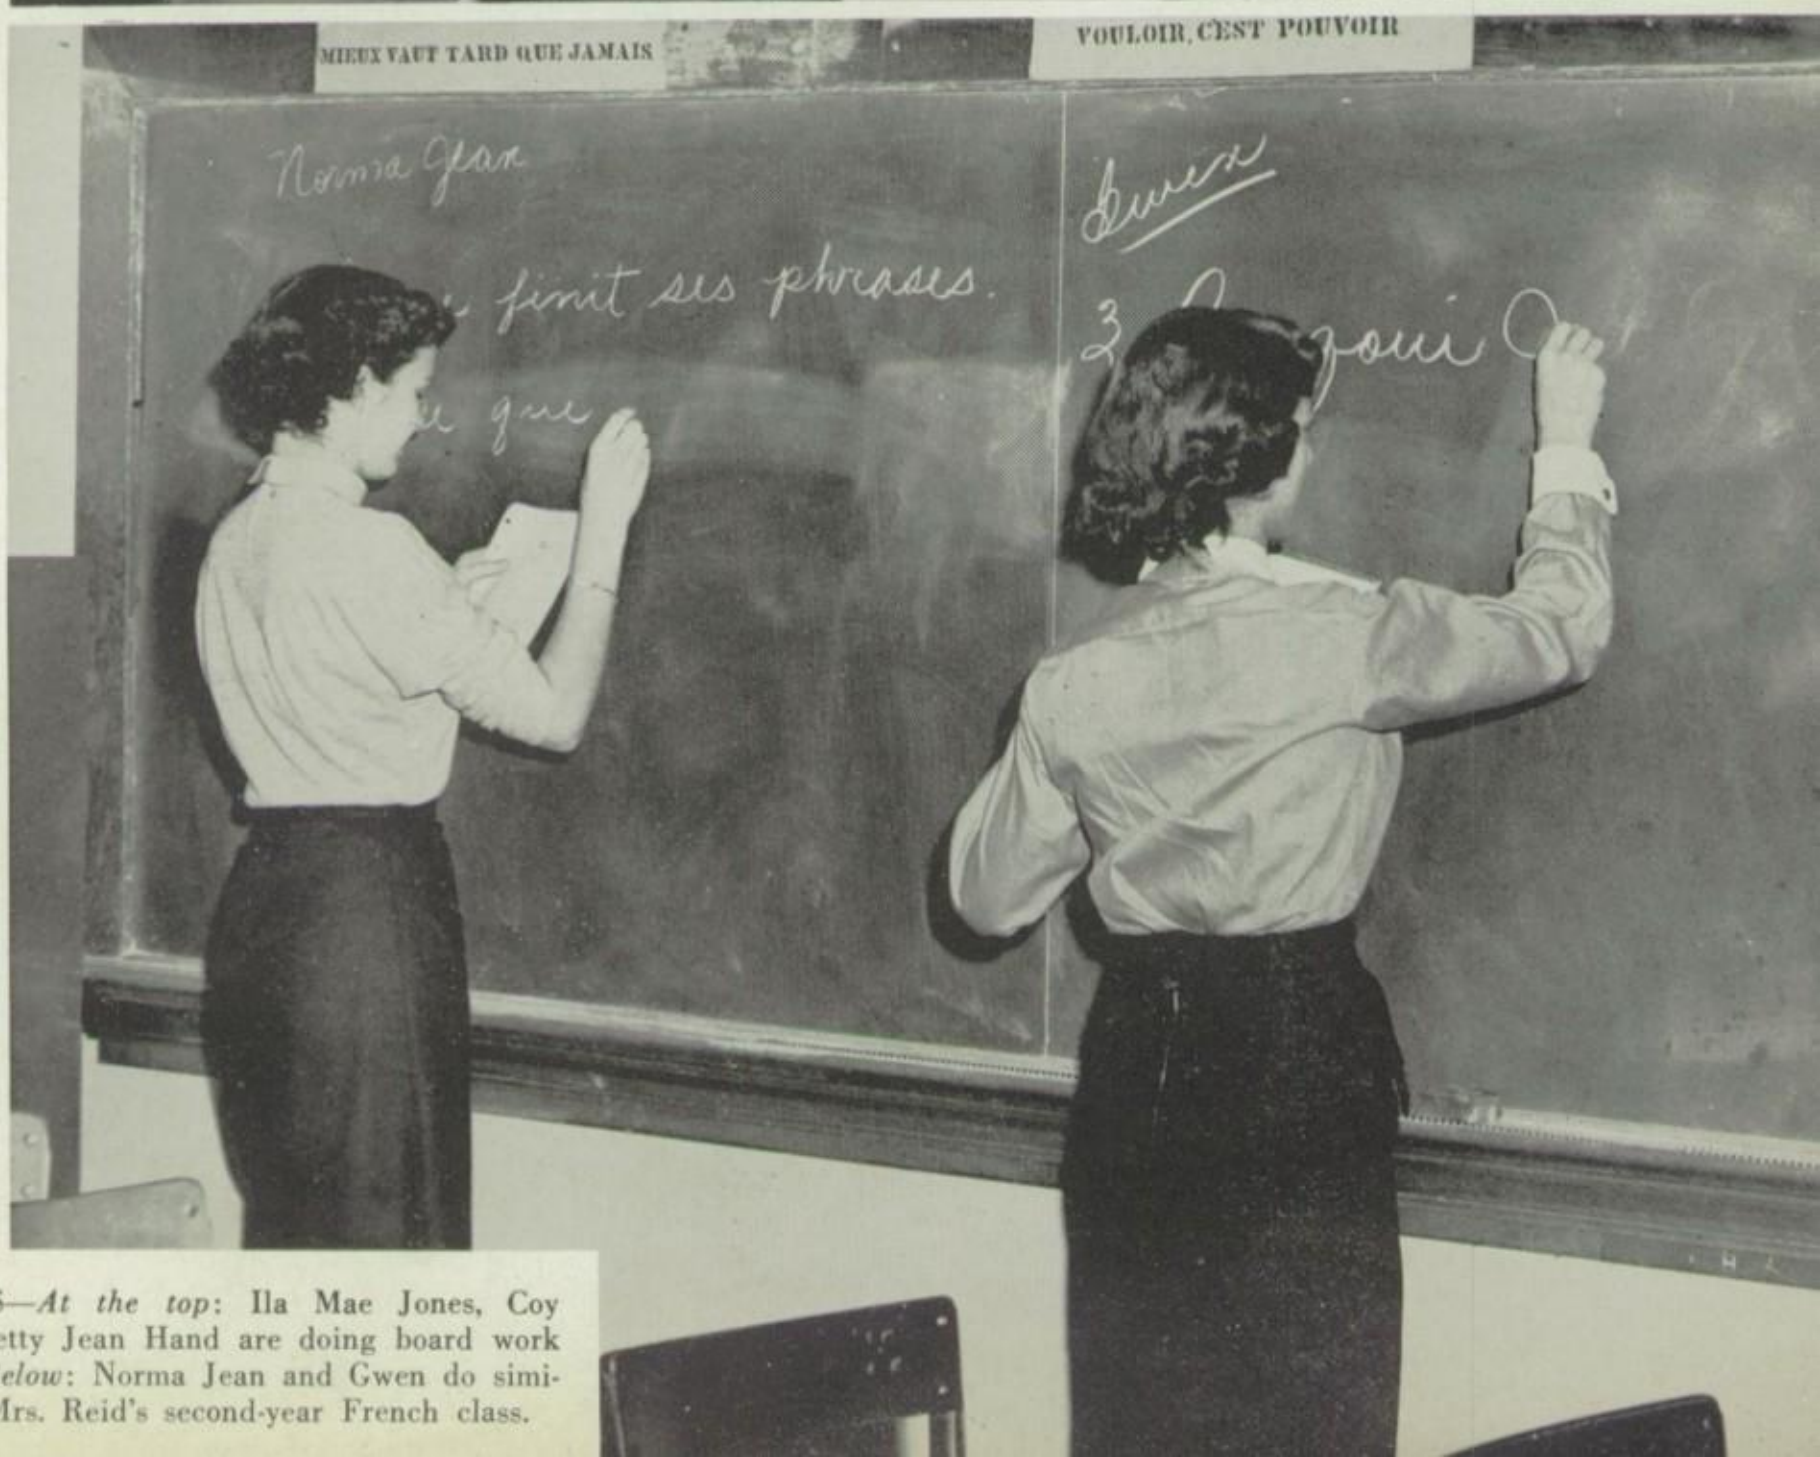

MISS MARY HESTER, long-time head of the English department in the Neville High School, has been given much of the "blame" for the outstanding achievement of Neville graduates in the field of English in college and elsewhere. Miss Hester, through her perseverance, her thoroughness, and her own command of the language, has contributed much toward the elevation of Neville's English standards to a point where that department ranks high on a national level.

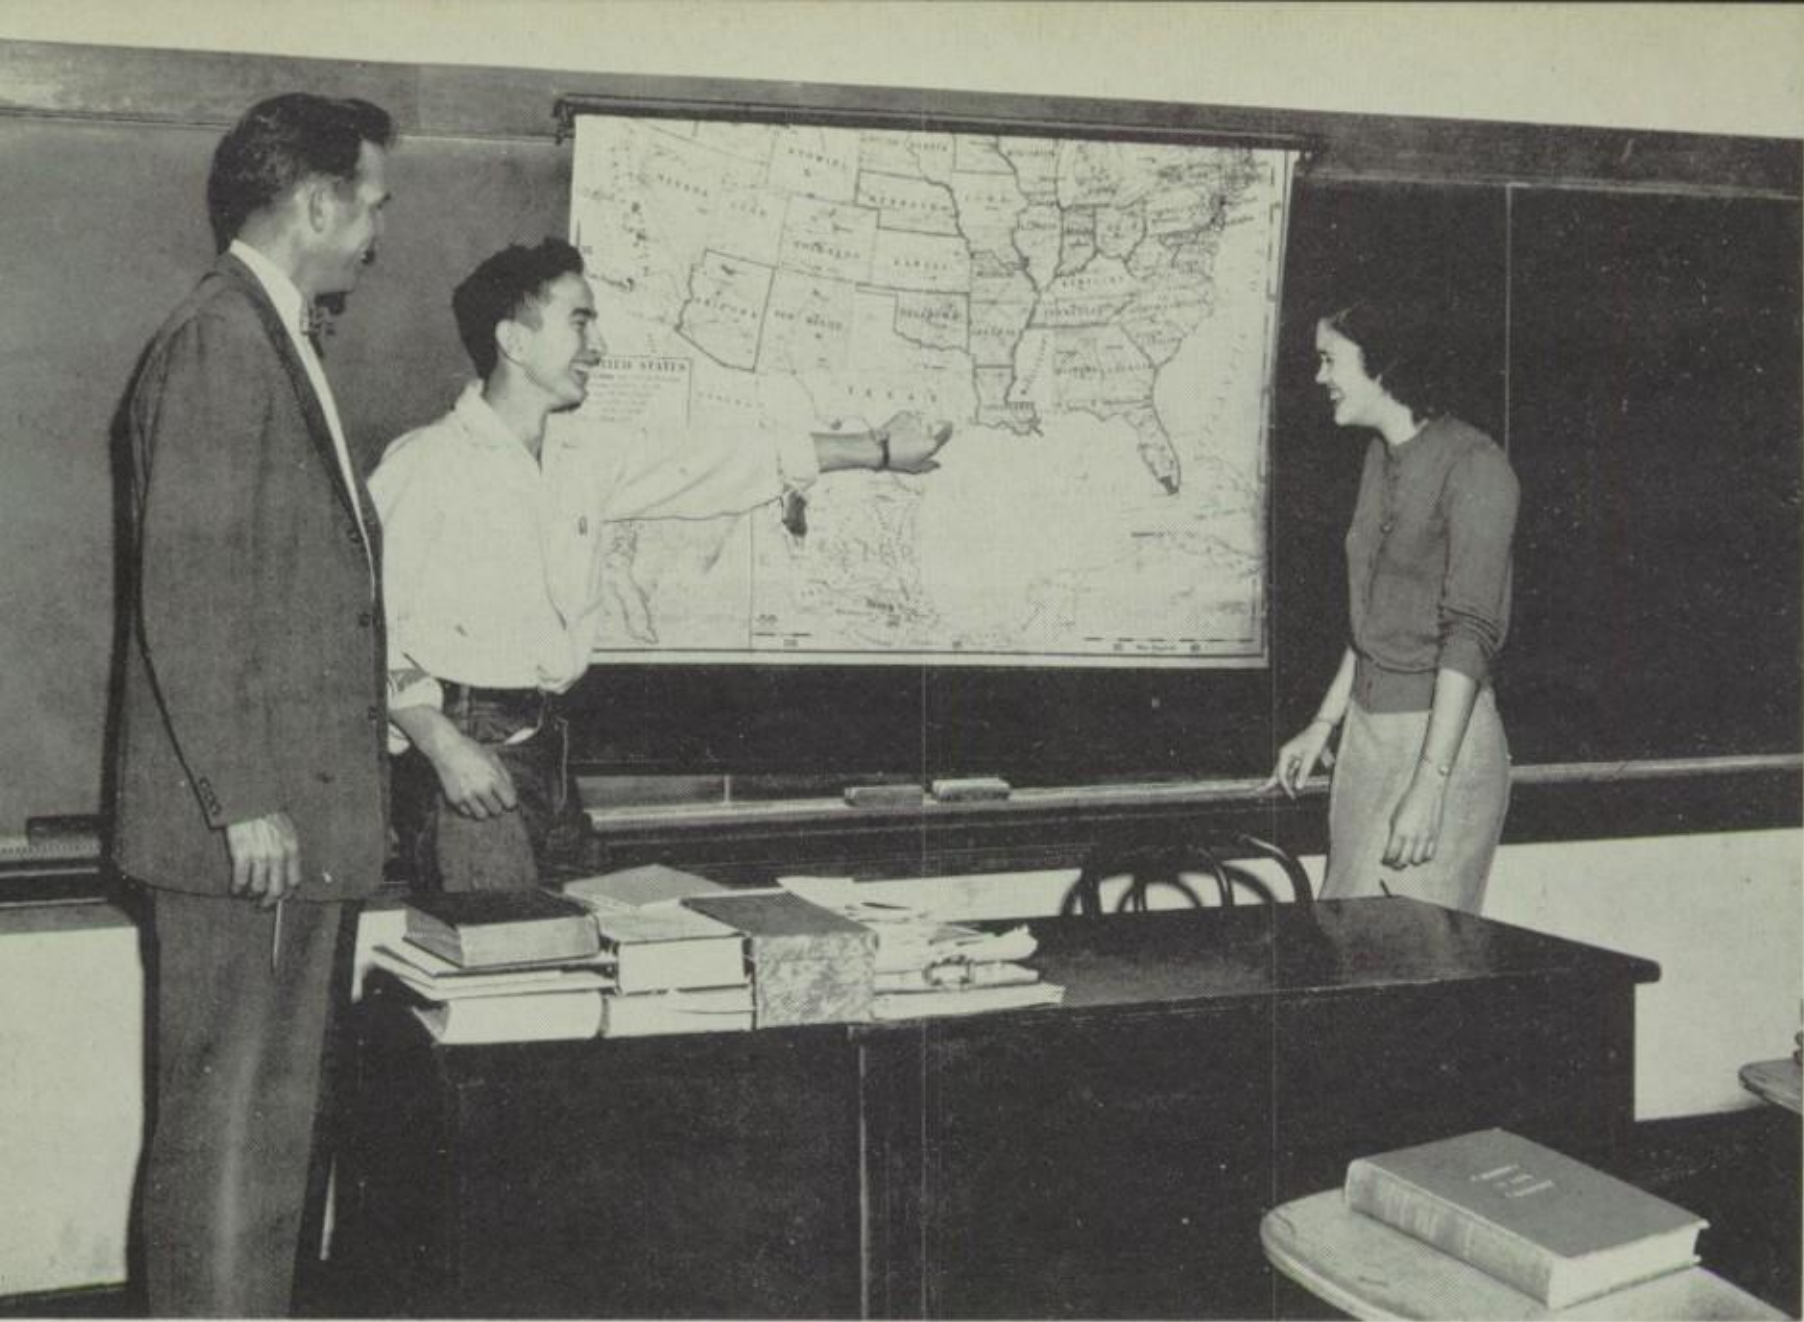

MRS. BOGGS explains a "tough" point to Tom King as Arnold Ray looks on and tries to absorb some of the information himself.

MRS. RODRIGUEZ, in the *lower picture*, is about to give an assignment. All will know why one character doesn't have the homework next day. He's watching the "birdie."

The Annual Staff

SPORTS—Armand Breard, *left*, was the “spark plug” of the sports divisions of the 1955 Monrovan. He was given technical assistance by Spec Lewis and Elton Upshaw, two of Neville’s top performers in athletics.

Marilyn Crowley, Tommy McDonald, and Linda Daniels, *left to right above*, did much of the detailed work of the class section and other phases of the book. Marilyn and Tommy contributed largely through their efforts at drawing layouts and numbering the hundreds of pictures, while Linda took on the big job of sorting pictures, numbering pages, and putting the pictures in the proper layout on the right page.

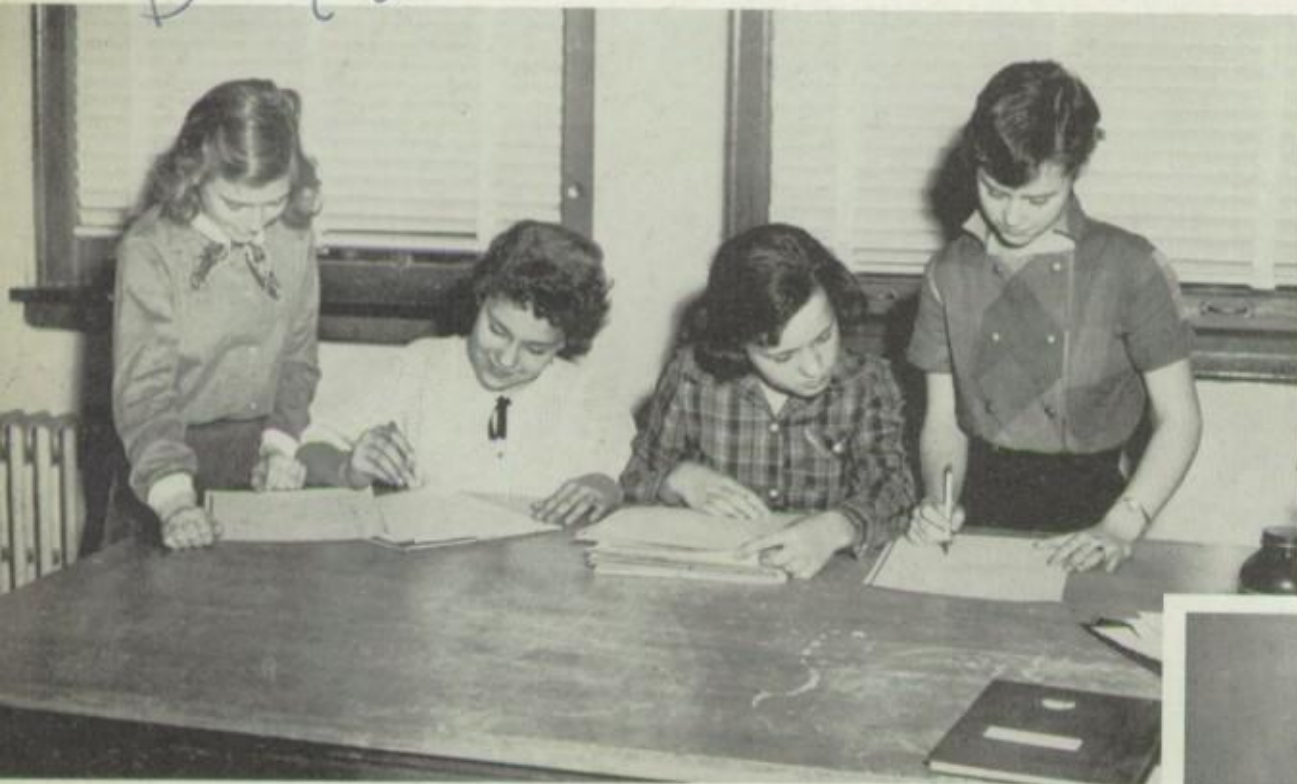

CHIEF PHOTOGRAPHER—Heading the dark room staff and assuming full responsibility for the pictures in this annual is Scotty Maxwell. Scotty was ably assisted by the two helpers at right.

SECOND IN COMMAND in the publications' photo lab is Roger Dean, who keeps everything in an operating condition. He is shown, *above at left*, repairing a flash unit, with Sam Cammack.

Sam is a newcomer to the darkroom force, having joined midway in the year. But he is already becoming an experienced photographer.

JUNIOR HIGH APPRENTICES who will someday be doing the annual by themselves, pitch in to help with the job. They are, *left to right*, Clair Solomon, Julianne Daniels, Betty Slaughter, and Sandy Dean.

At right, two prominent workers on the snapshots section are Jan Brown and Dawson Ann Foreman. Countless others aided in publication of the year-book by contributing towards sales and collections. Ashley Hamilton and Marilyn Beers did much to make the annual what it is.

Neville 14, Bolton 13

The 1954 Neville Tigers, now AA, defeated the high-ranking AAA Bolton Bears of Alexandria on their first road trip of the season.

Bolton's scoring started in the first quarter when Woods scored after a long drive and ended when Wheeler ran back a kick-off for a touchdown. Lofton made one extra point.

Spec Lewis started off the scoring for the Tigers by plunging through the line for six points. The last Tiger score came in the fourth quarter on a 36-yard run by Lewis. Billy King kicked both of the extra points for the winning margin. The Neville line showed itself to be outstanding.

The Tigers were downed by the AAA Bastrop Rams on their second road trip of the season.

Jerry Aston scored twice, once on a pass from Upshaw, and once on a plunge through the line. The other Neville score came on an Upshaw-Causey pass. The Neville line was battered time after time by the hard running Bastrop backs.

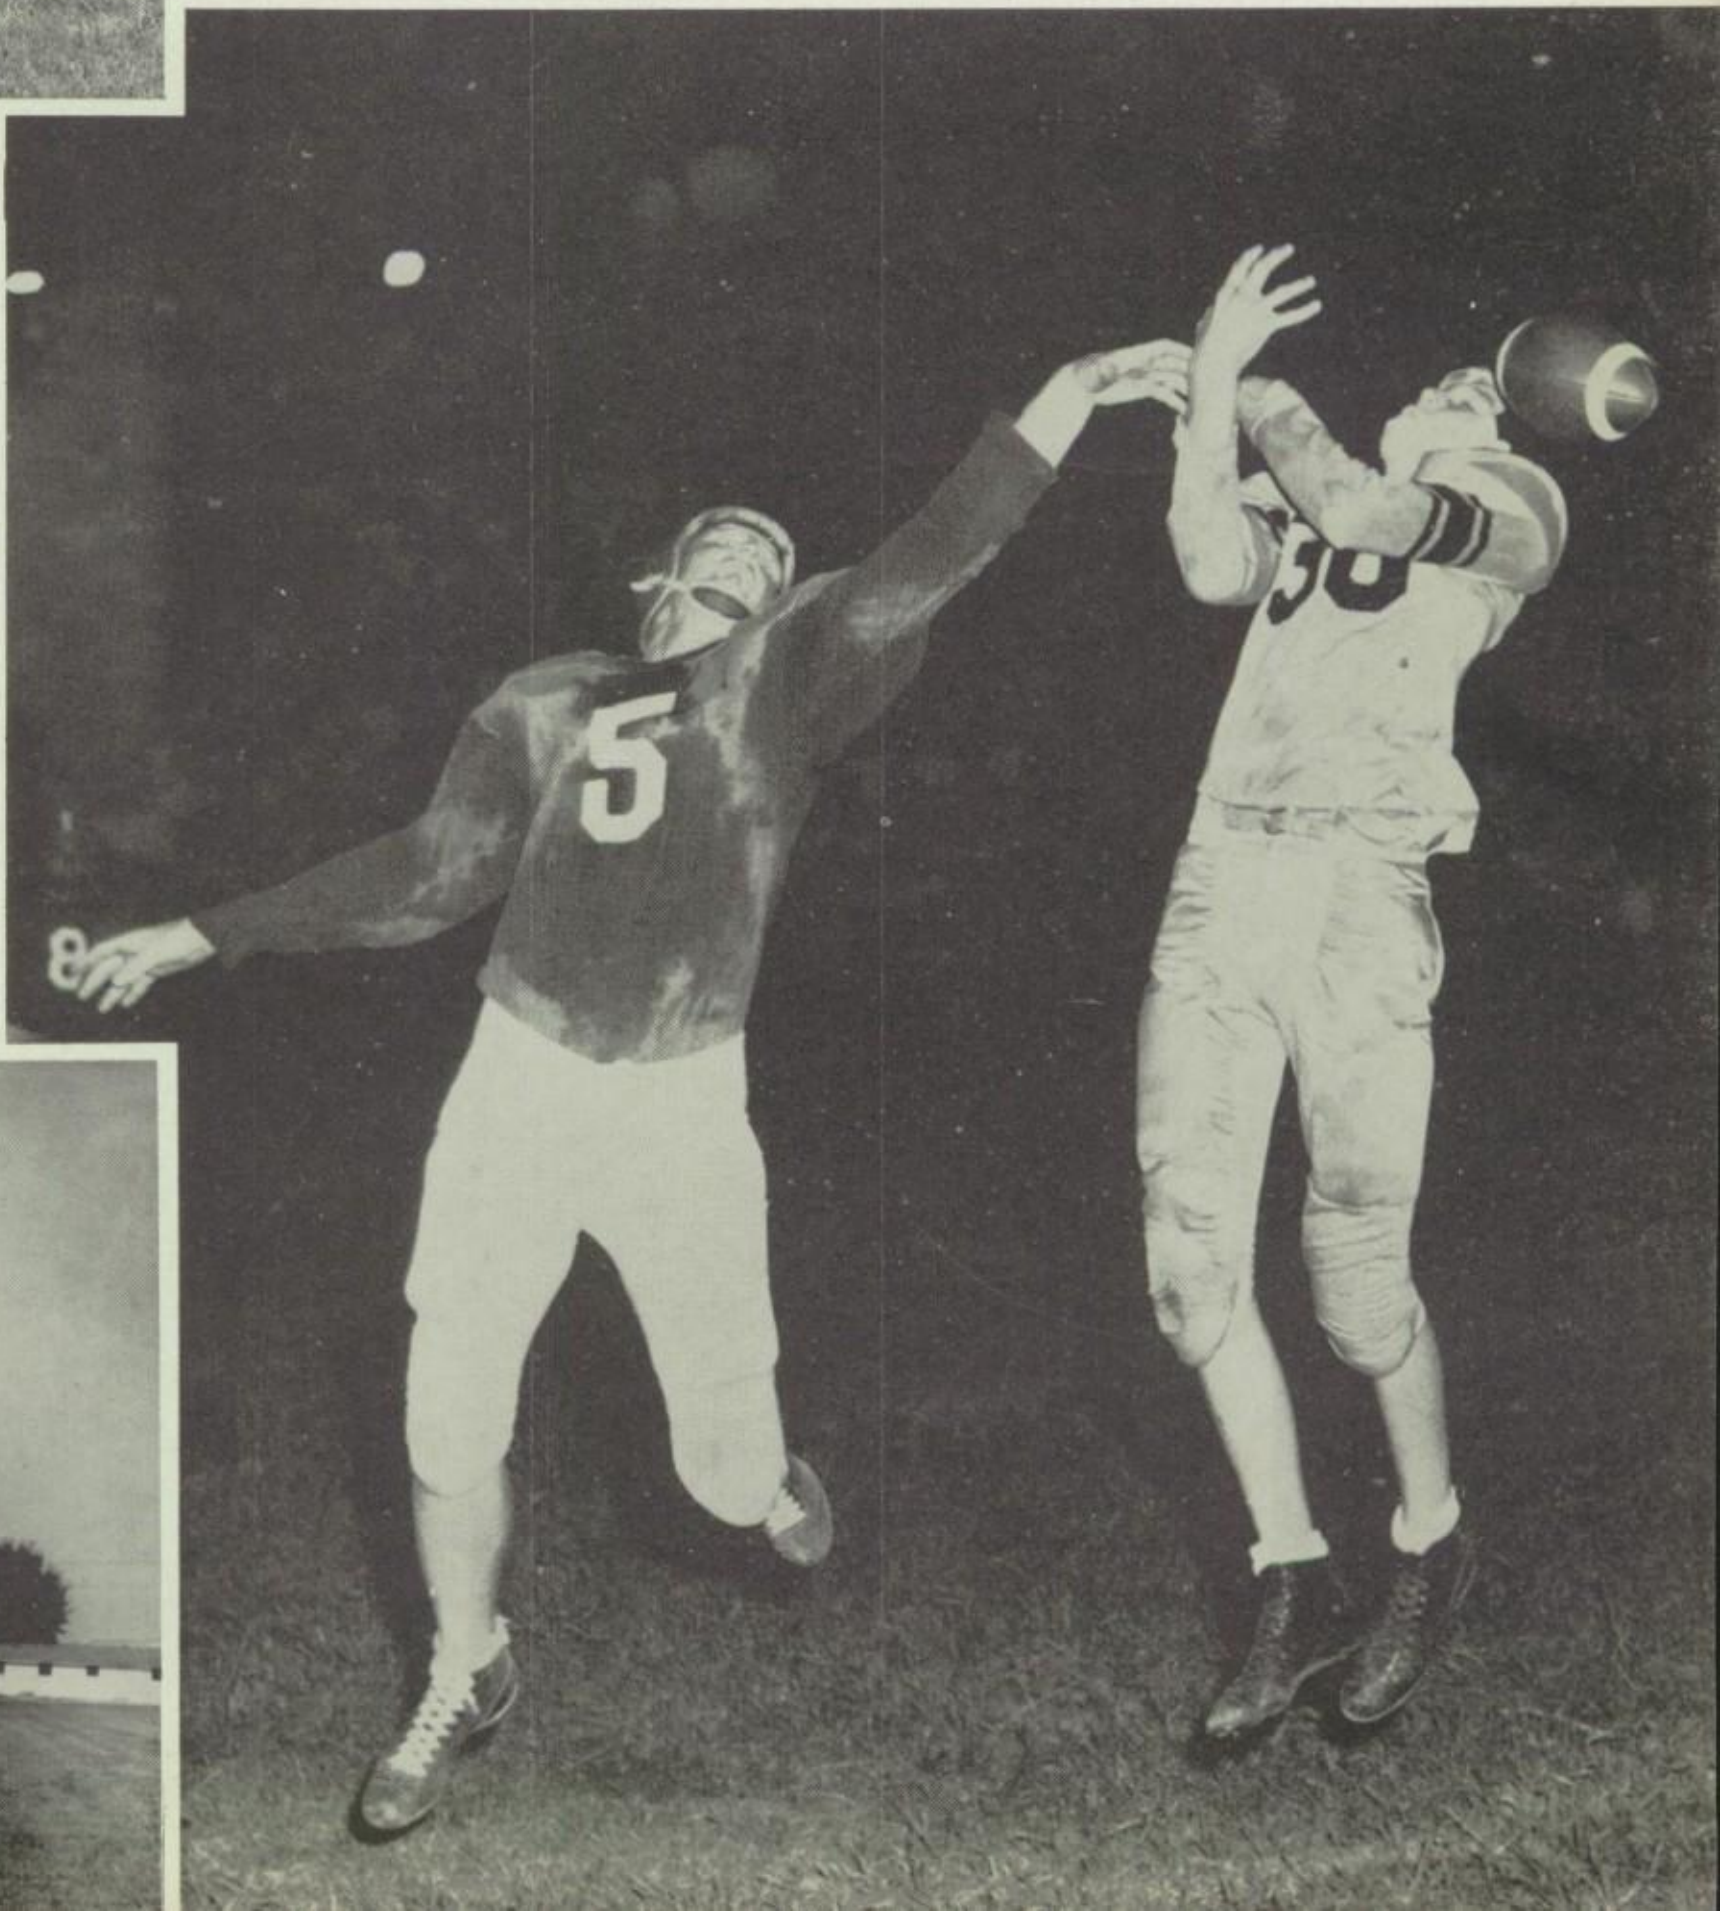

Johnson scored twice for the Rams, McGough twice, and Brodnax once. Loftin kicked two of the extra points. The Tigers kept Brodnax, the Rams' ace scorer, bottled up most of the night.

Neville 14, Minden 6

Meeting the Minden Crimson Tide in their first home game, the Tigers went ahead in the first quarter and stayed there for the rest of the game. The first Tiger touchdown came on a pass from Upshaw to Tom Causey in the first quarter.

Minden came back in the second quarter with a 70-yard run by Fraiser, for six points. The kick was not good. Minden lost one touchdown on a clipping penalty.

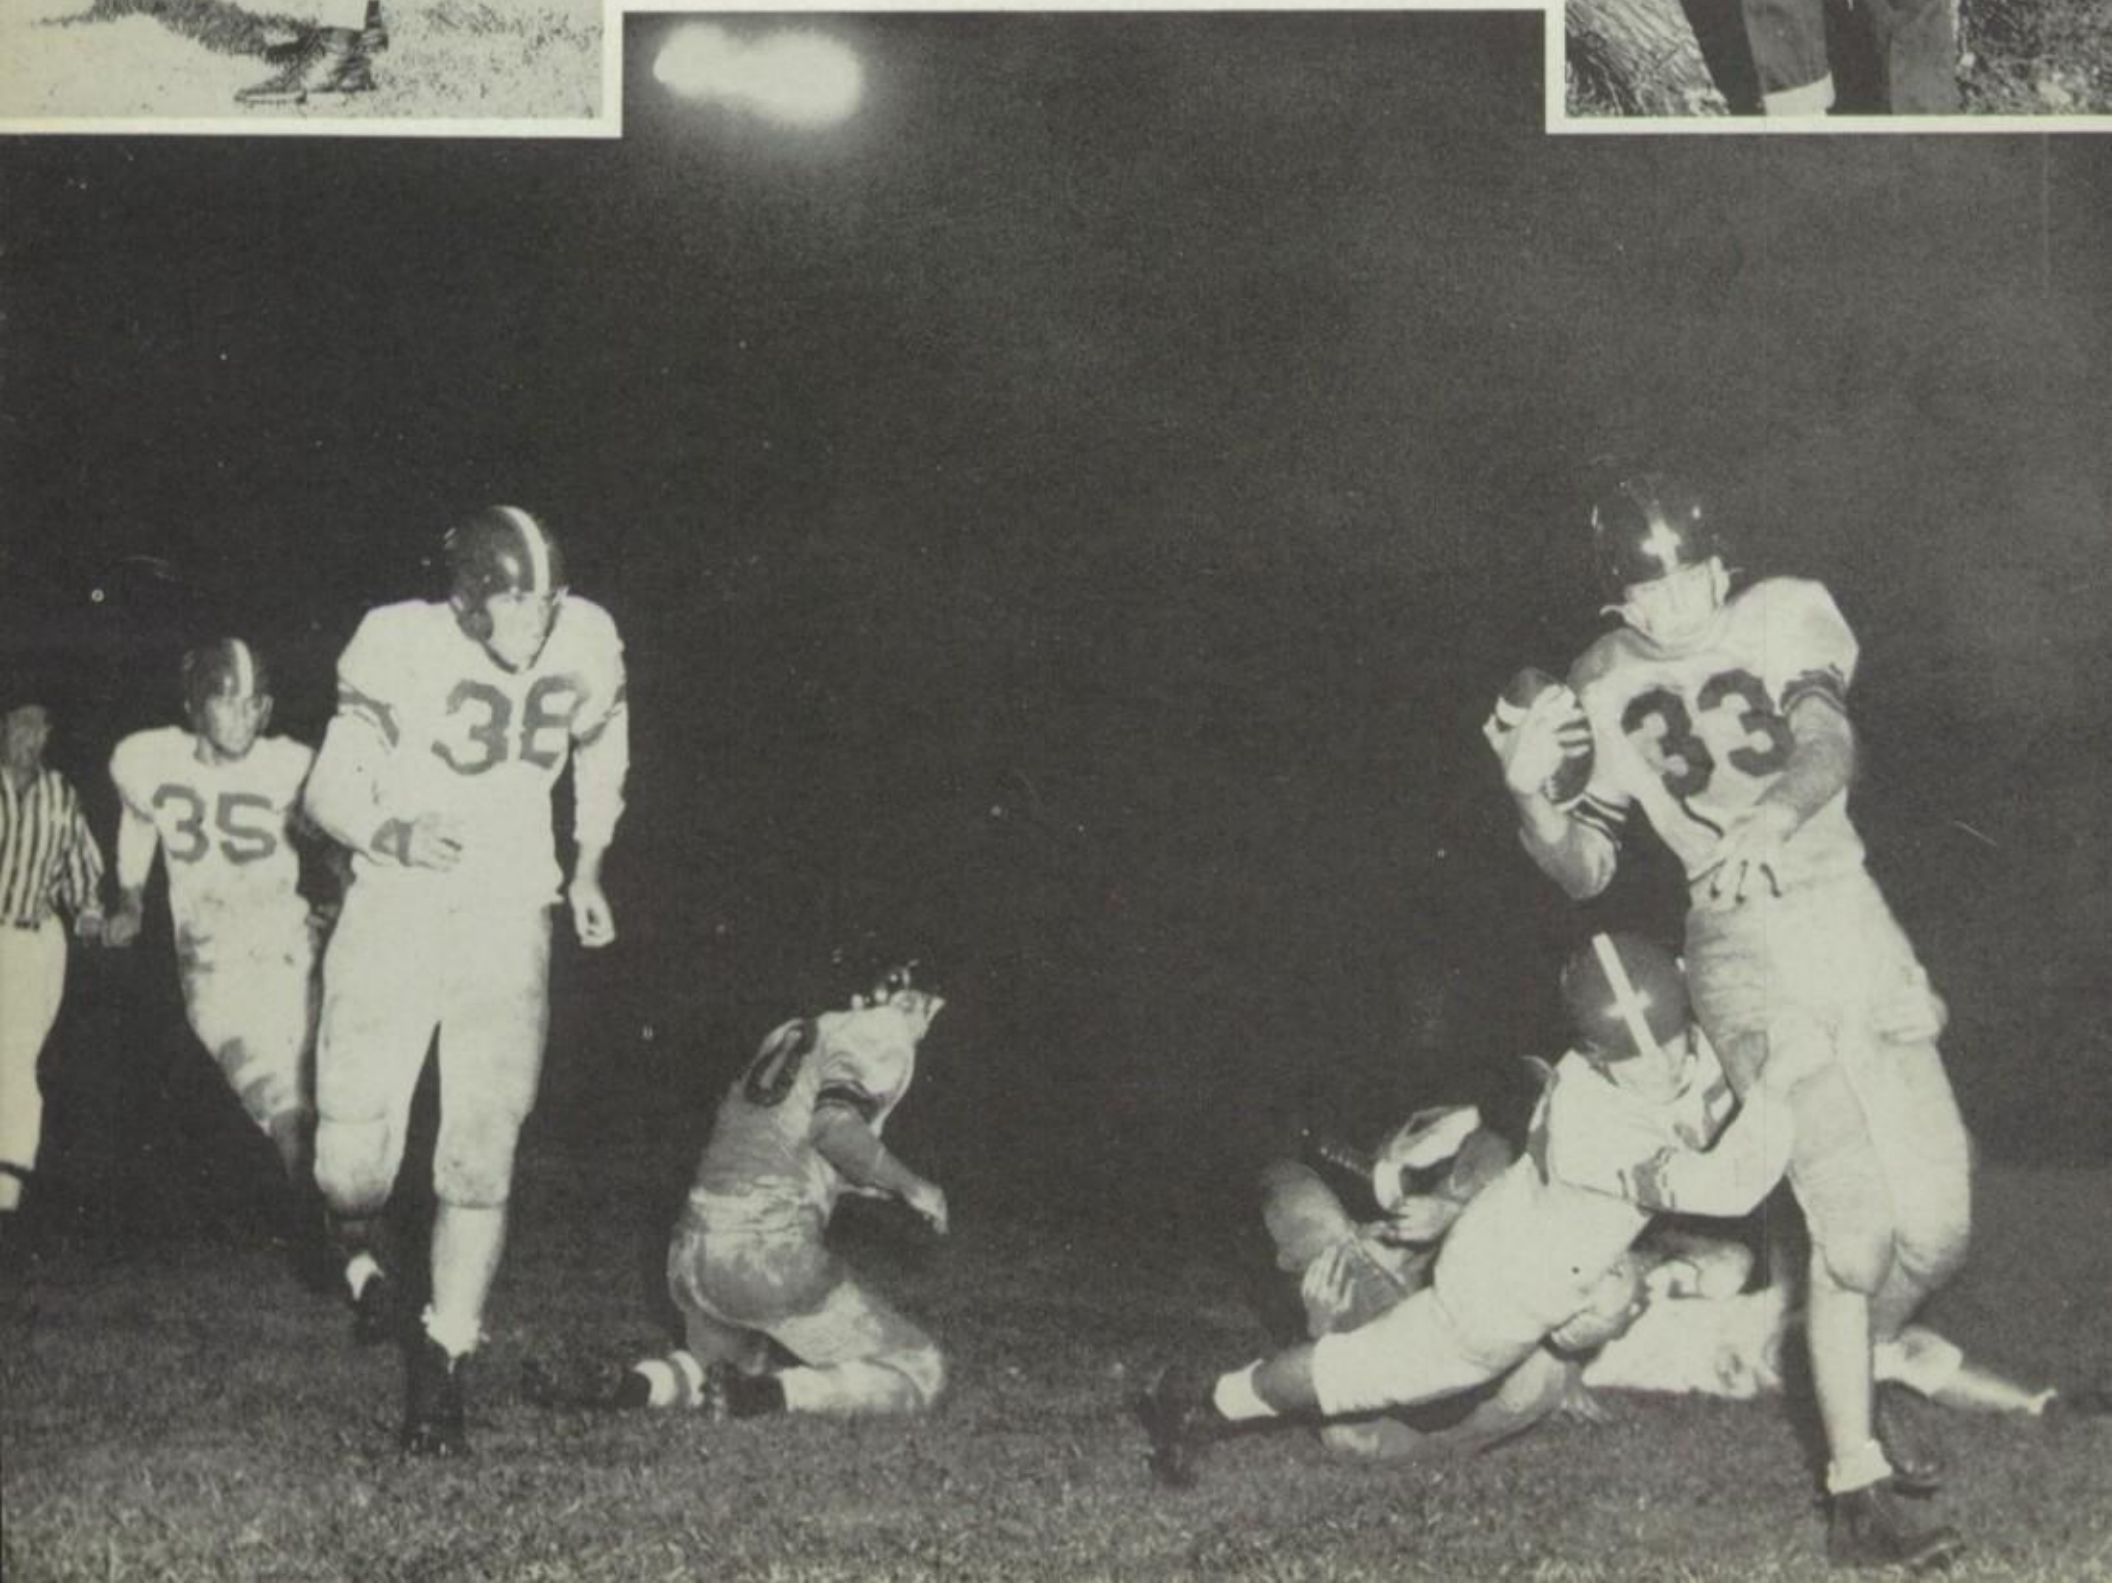

The scoring ended in the third quarter when Lewis ran 34 yards to pay dirt. King kicked both Tiger points.

It was a disappointing night when the Tigers journeyed to Rayville for a non-league game. The Tigers had what is known as a "flat" night as the Richland Parish boys played inspired ball.

The Hornets led by Keith Amos, all-state tailback, led 2-0 as a result of a safety, at the end of the first half. The opening minutes of the second half found the Tigers leading 7-2 as a result of Spec Lewis' 55-yard touchdown jaunt. But the Amos-led Hornets stormed back seconds later to grab the lead for keeps. Mickey Yerger plunged for another Tiger marker, but this was matched by the not-to-be-denied Hornets. Pat Anderson and Dick Seiler were outstanding in the Bengal line.

Playing their cross-river rivals, the Tigers were sparked by Lewis, Upshaw and Yerger. Yerger carried for the first TD after several first downs.

The Rebs came back in the second period to tie the score at 7-7. Willis scored, and Monzingo kicked the point.

A Neville 39-yard pass set up the next Tiger score and Lewis carried the ball for a touchdown. Upshaw set up the next TD on a long run, and went over from the three.

MICKEY YERGER
Back

West Monroe tallied in the third period when a Perkins to Hughes pass clicked. The point was not good.

In the fourth period, the last score came when Elton Upshaw made the most spectacular run of the game for a six-point tally. King kicked three out of the four extra points.

On their fourth road trip of the season, the Tigers downed a fighting Oak Grove Tiger team, with reserves playing most of the second half. Spec Lewis scored three of Neville's touchdowns, and Mickey Yerger, Tom Causey, and Gene Dupuy accounted for one touchdown each. Billy King and Bobby Peden kicked one extra point each.

Oak Grove showed its spark immediately after the first Neville score, with a line plunge that tied up the score.

Neville 7, Ruston 14

It was a sad night when the Lincoln Parish lads invaded the Bengal lair in Monroe for their first conference encounter. The kingpins of 2AA district proved too much for the inexperienced Tigers.

DAVID BRINSON
End

Reggie French was the first Bearkat to draw Bengal blood in the second quarter on a forty yard run. Late in the same period, Elton Upshaw, a houdini on offense, put the pigskin on his hip and scampered 18 yards to pay dirt.

The half ended with the score knotted at 7-7, but the third quarter began with the talented, all-district French skirting his right end from the Tigers ten yard line to the end zone unmolested.

The game ended this way and thus Ruston had the jump on Neville in the race for the district crown.

The Tiger-Wildcat game was rated as a toss-up, but the Black and Gold, wearing freshman uniforms, turned on the power and stopped the Winnsboro eleven cold.

A series of passes to Causey, McClanahan, Lewis, Yerger, and Statham set up the first Tiger score in the second quarter. Upshaw then passed to Causey again for the touchdown.

The Neville defense was really clicking in this game. They made numerous yard losing tackles throughout the game.

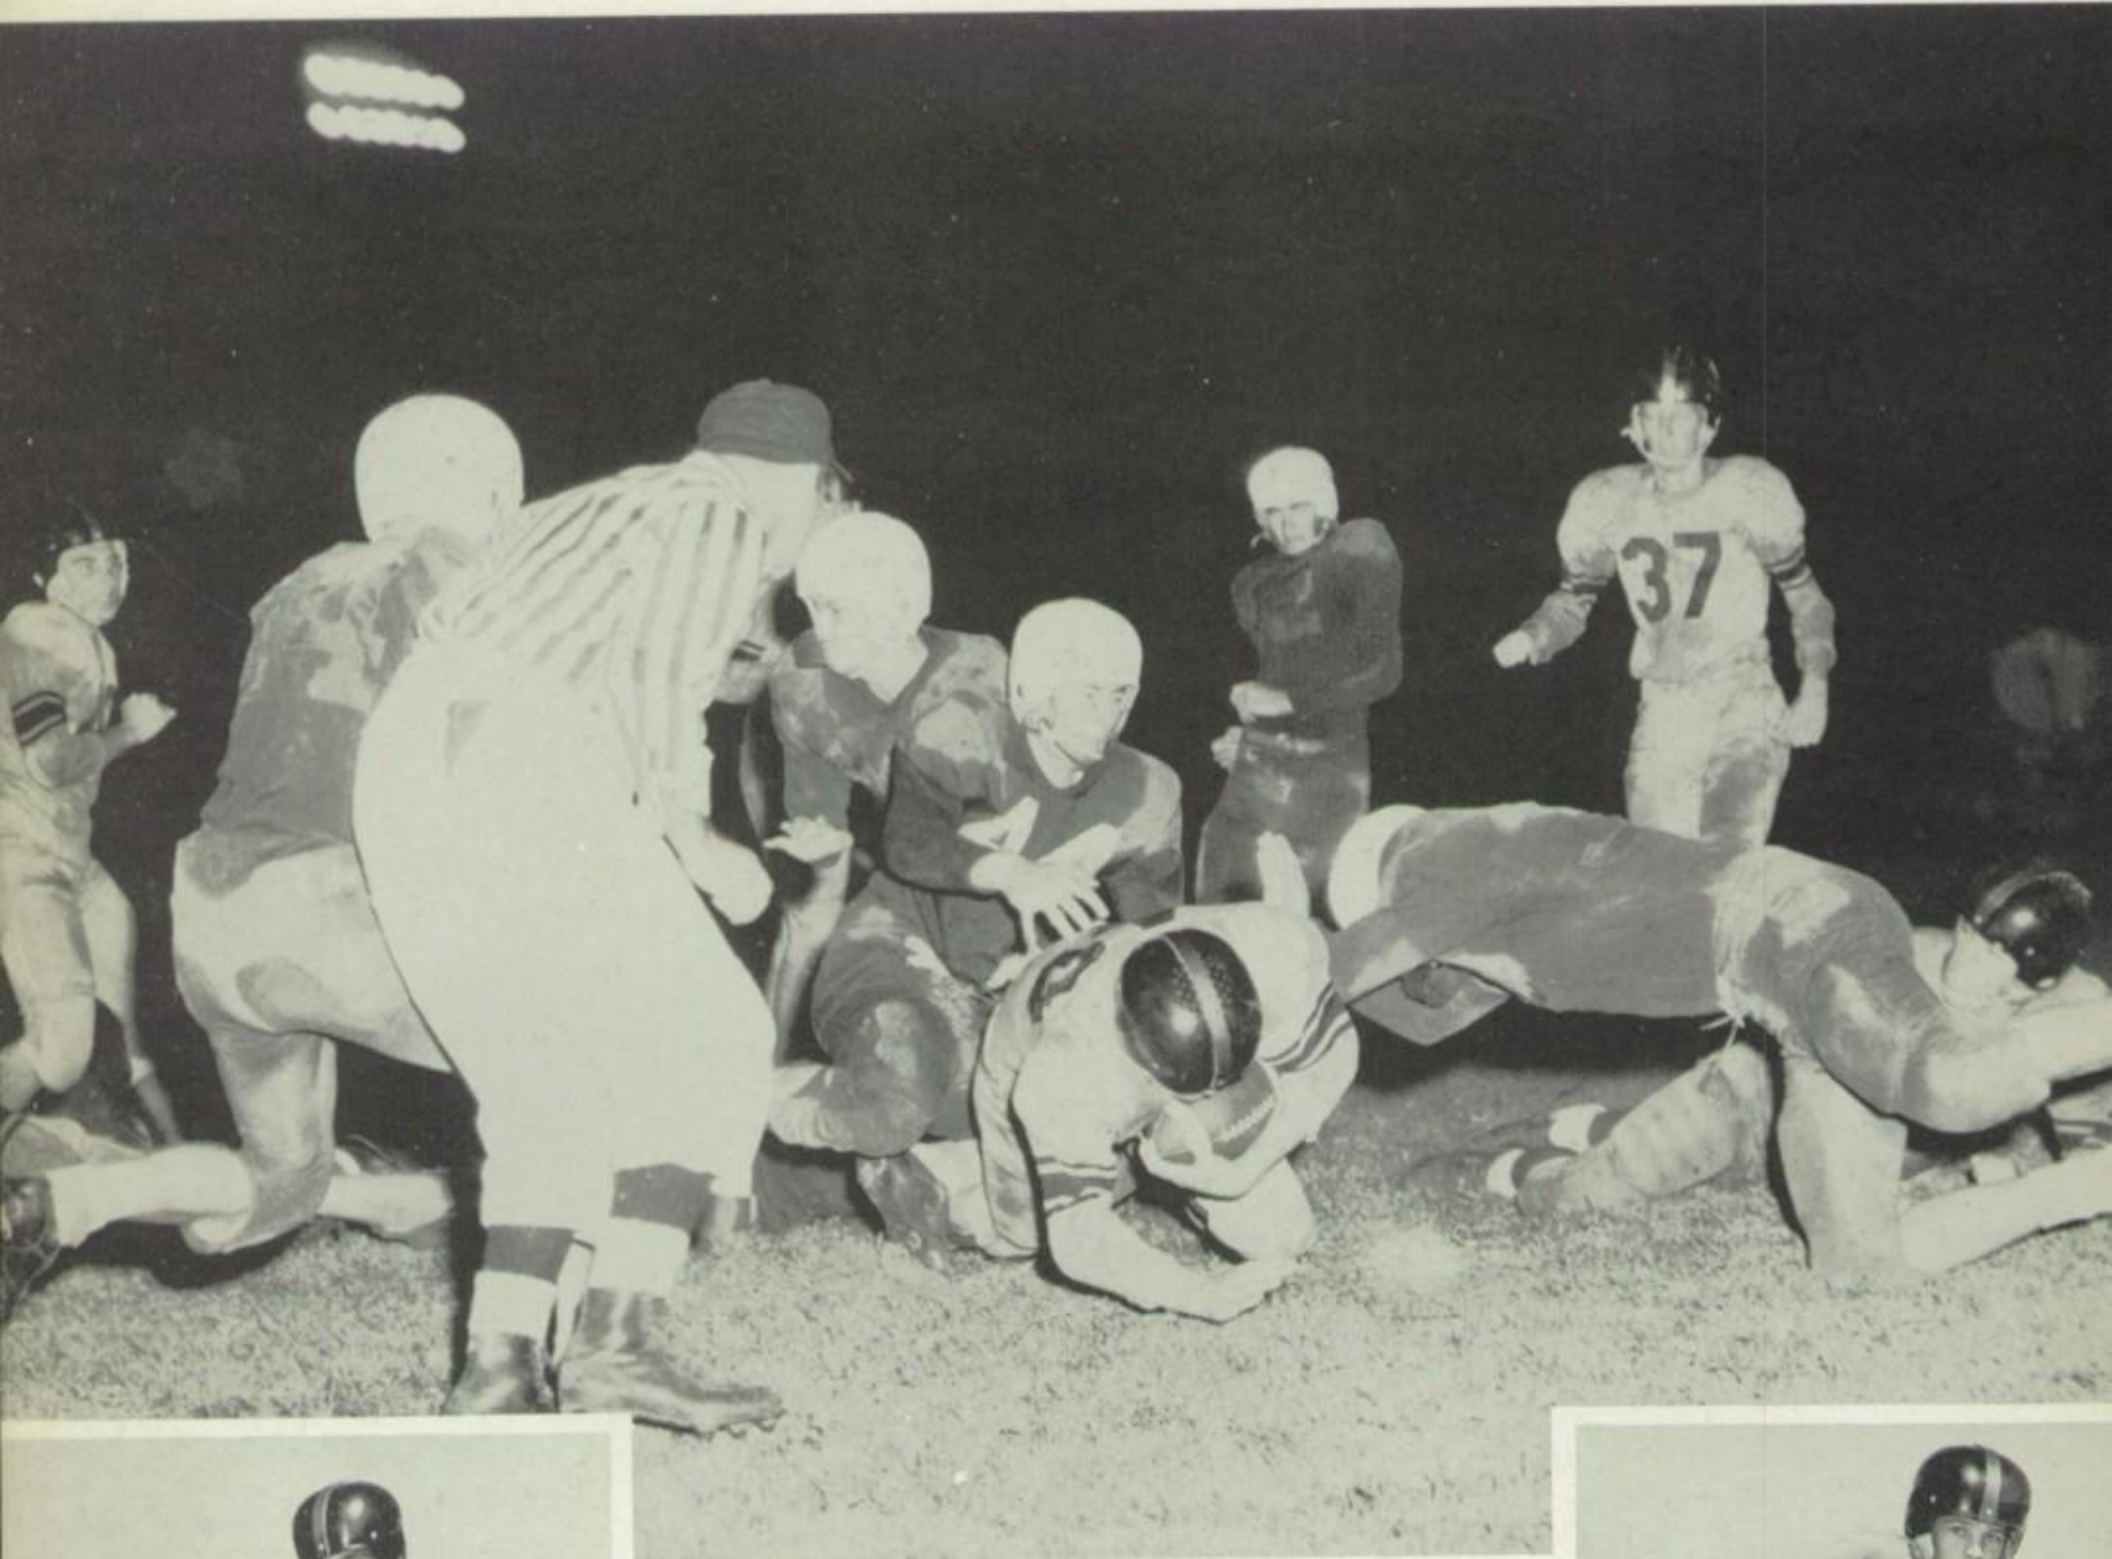

Spec Lewis intercepted a Winnsboro pass on their 20 and turned it into a TD.

In the fourth quarter, Dick Seiler intercepted a pass on the 35 and ran it back to the six where Billy King piled over for the final score.

After a first quarter of fumbling by both teams, Neville scored on a line plunge by King after Lewis and Upshaw set up the play. Lewis set up the next touchdown on runs and scored from the eleven yard line. King converted once for the Tigers.

Russell scored once in the second quarter, and Naylor once in the third quarter to make it 13-12 in favor of Neville at that third-quarter point.

Then Tallulah broke loose in the fourth quarter to score three times, and sew up the ball game.

Neville went ahead in their Homecoming game against Jena in the first quarter after Causey, King, and Boyd placed the pigskin on Jena's five. Boyd scored the touchdown.

The Tigers kept up the scoring in the second quarter after Lewis' runs left the ball on the seven. An Upshaw-Statham pass counted for six points.

After an uneventful third quarter, the Black and Gold exploded for 14 points in the last 12 minutes.

Spec Lewis ran 25 yards for one touchdown, and a few minutes later, Botsy McClanahan took off on a 70-yard jaunt to pay dirt. King made two points.

DAVID FREUND
End

One of the features of Homecoming activities was the crowning of Queen Ila Mae Jones, who was accompanied by her court, composed of Carolyn Futrell, Virginia Cage, Sallie Oliver, and Donna McDonald.

Superintendent of Schools Van D. Odom presented the queen with a bouquet of yellow flowers.

The Tigers took measure of their cross-town rivals for the fourth consecutive time. Although they played listless ball most of the game, their second period marker by Upshaw from the two was the difference.

As the game ended, the Tigers were rolling with a sustained drive sparked by King and Lewis.

The game ended with the Neville Tigers victorious, and a new trophy in its possession for at least one year.

Baseball

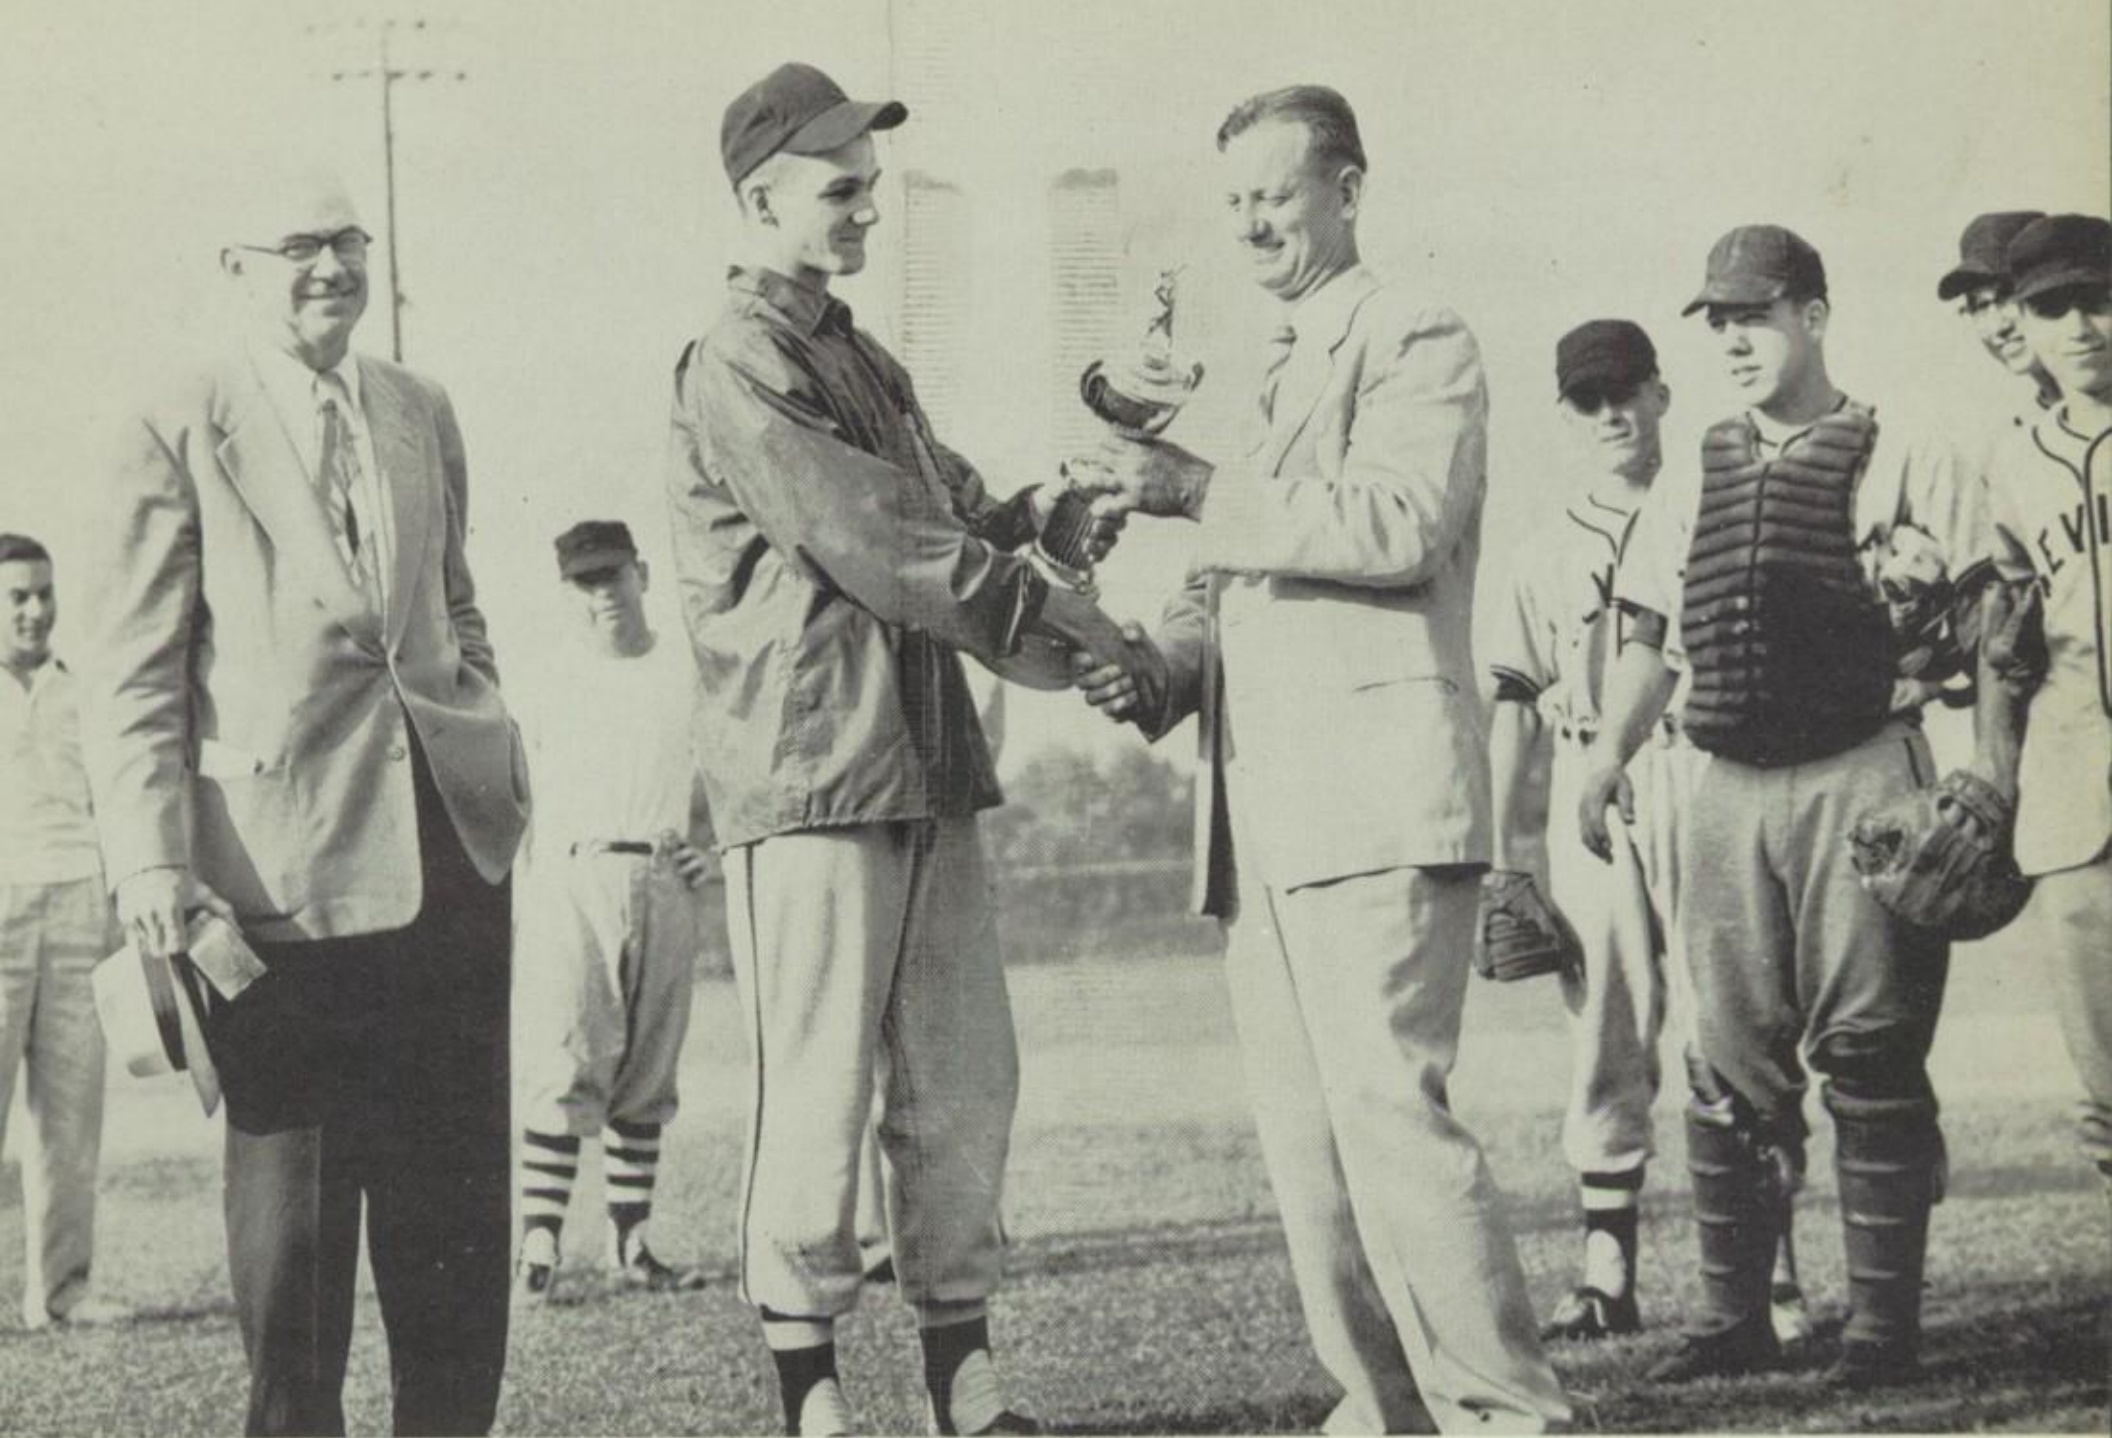

State Champions

Each year when the Monroyan goes to press, the staff is faced with a problem. Baseball for the current year has not begun, and to feature baseball, it is necessary to go back to the preceding year, which means including those seniors who have long-since graduated.

But this year, the 1954 team is included in the book as a tribute to a mighty machine which lost only one game all last year; which went on to capture the state baseball crown in the class "A" division of competition.

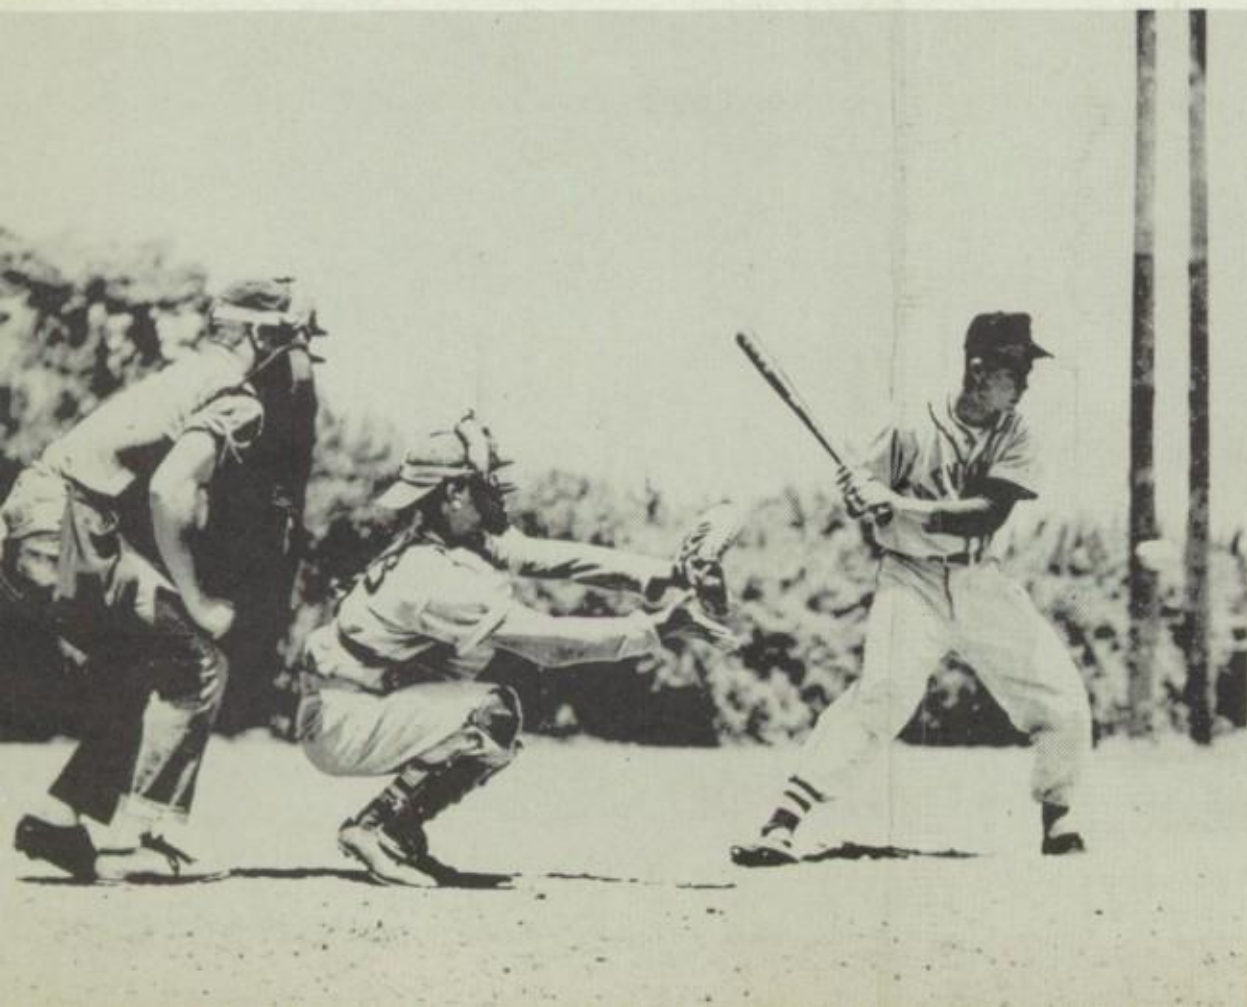

THE TEAM which brought glory and a state championship to Neville, coached by veteran coach Jim Coats and pictured above was composed of, *left to right, kneeling*: Wiley Joe Gates, Tommy Boyles, Alton McCready, Jerry LaPriarie, Red Swanson, Gene Barham, Vincent Genusa, and Larry Reeves. *Standing*: Superintendent Van D. Odom, Ralph McNabb, Jim Altick, Mickey Yerger, Terry Reeves, Wayne Causey, Billy Hardy, Fred Frickie, Dick Seiler, Managers Preston McMillan and Tommy Edwards, Coach Jim Coats and Mr. P. J. Neal, Principal.

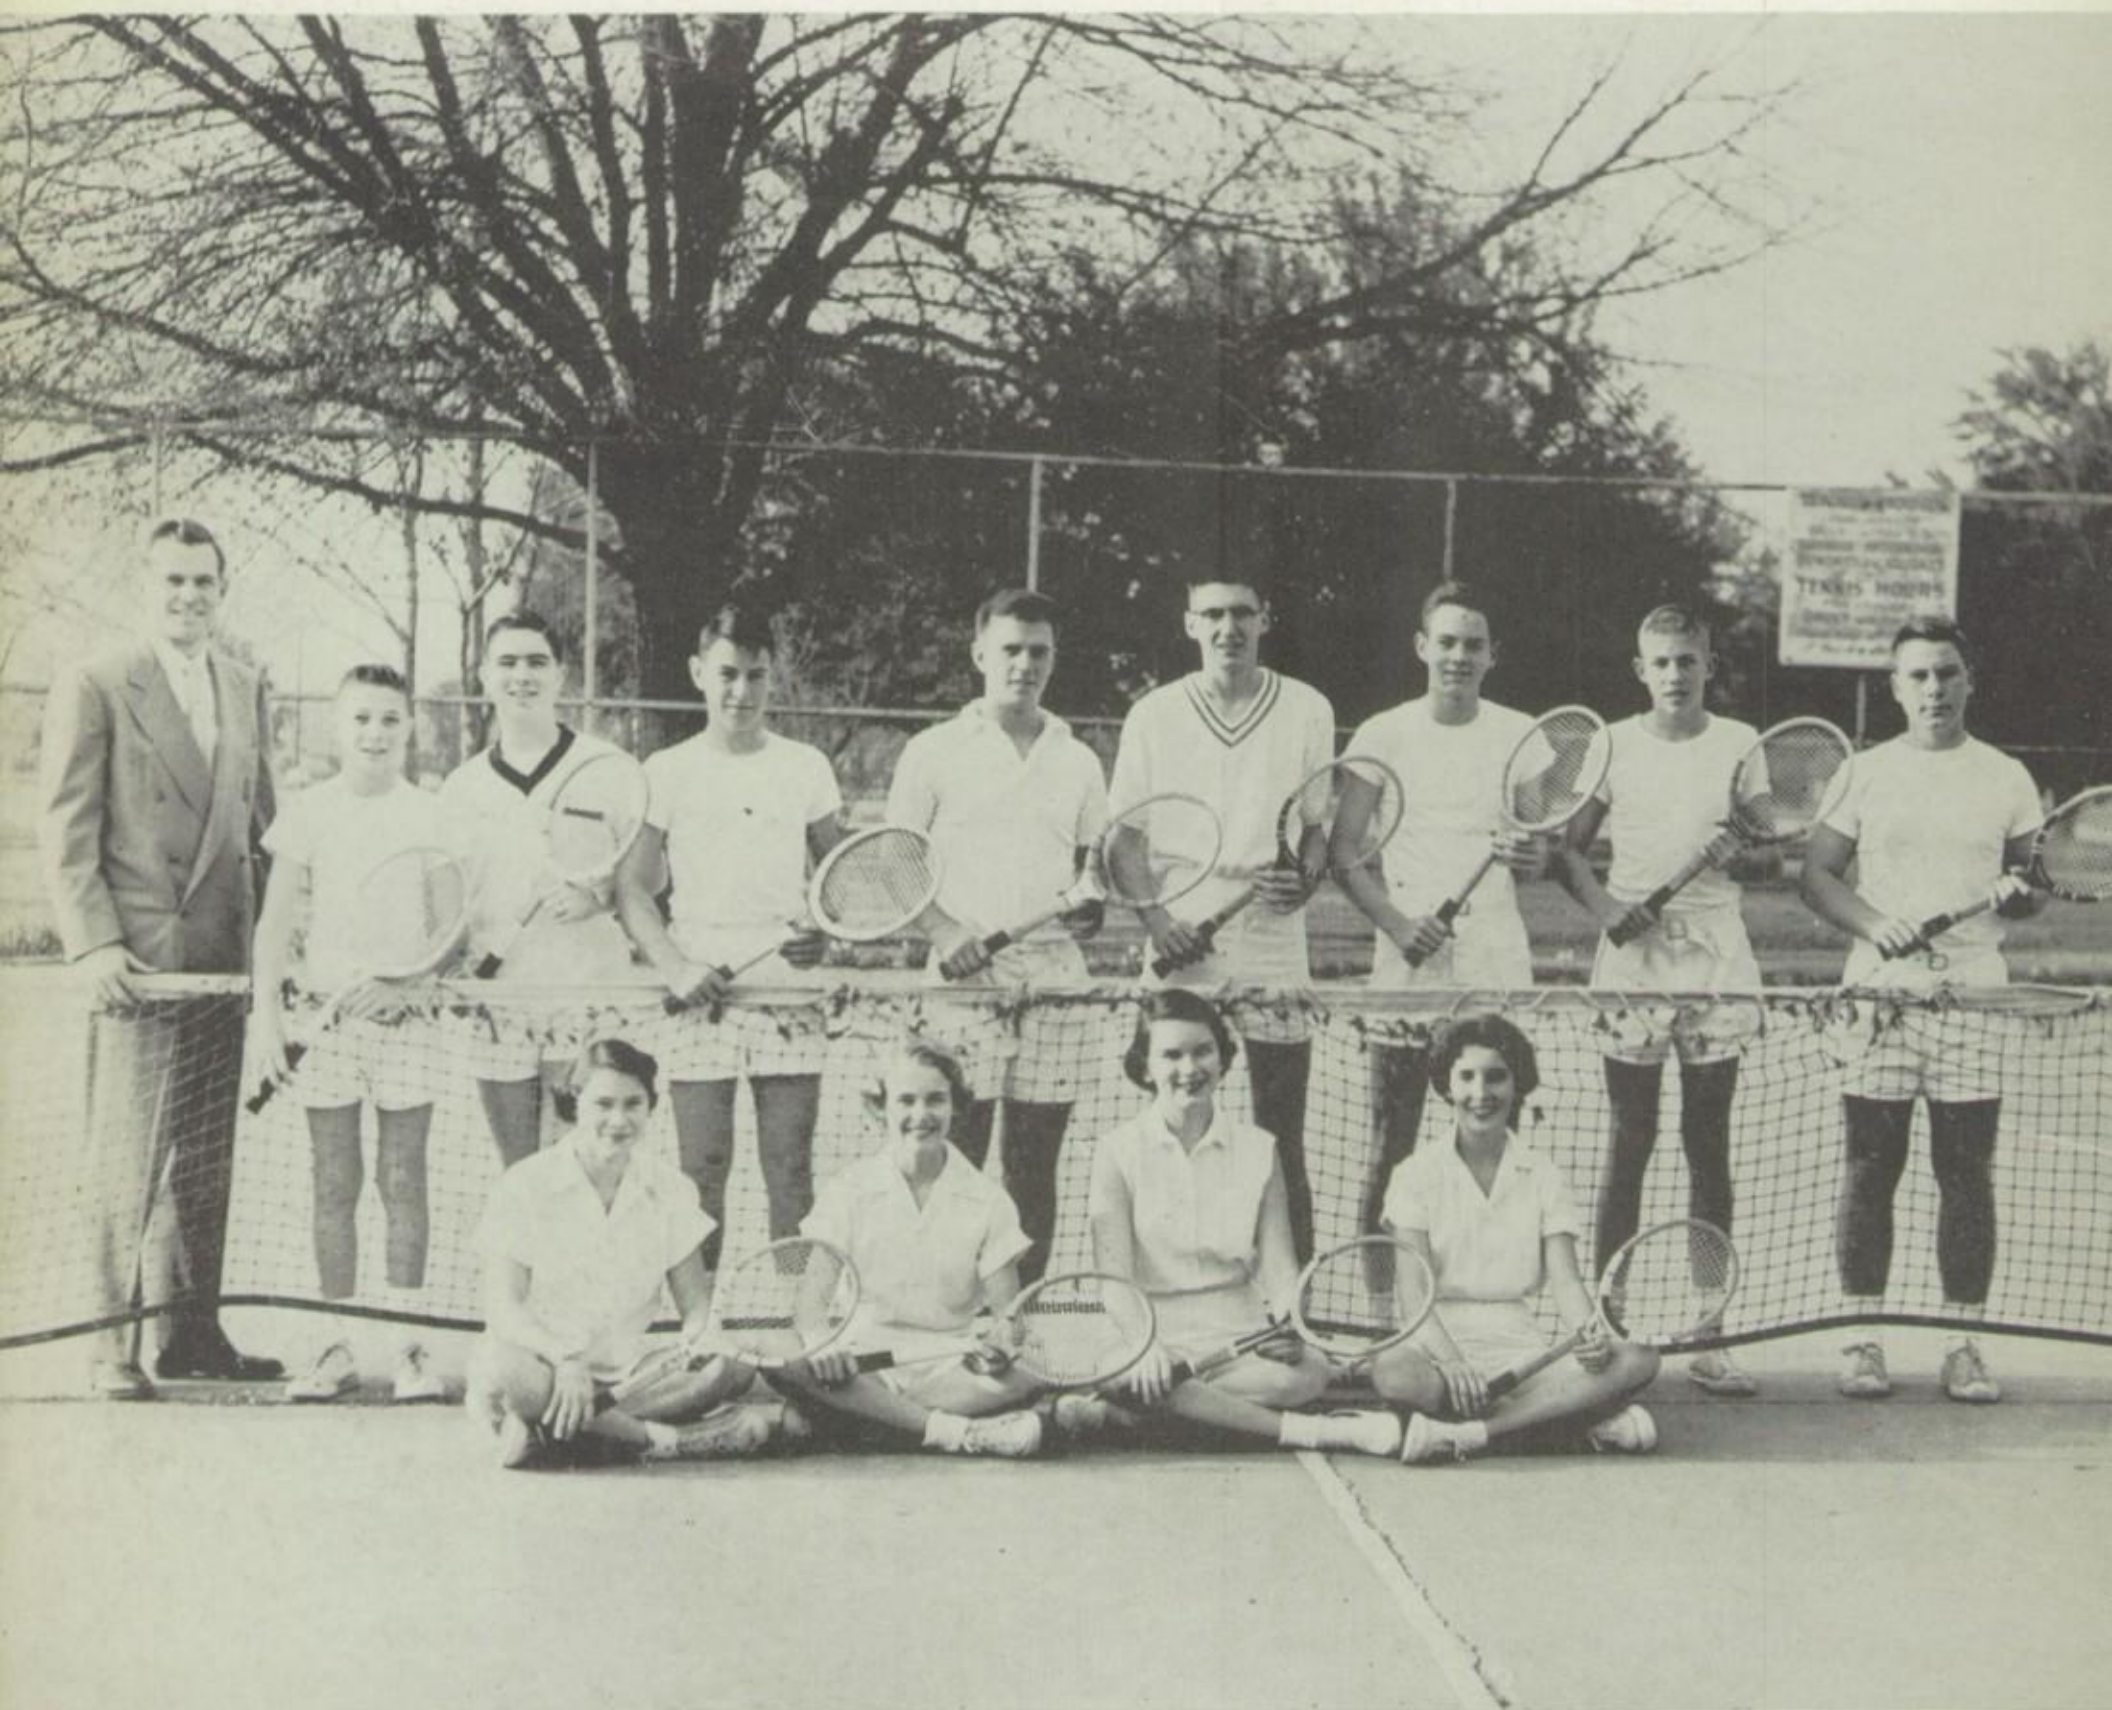

The Trophy

LOUISIANA STATE UNIVERSITY officials are *shown above* presenting the state championship trophy to Arthur (Red) Swanson following the Neville victory which clinched the title for the Tigers.

GENE BARHAM'S bat starts around just as the ball moves in over the plate. The ball can be seen just below shoulder height in front of the left light pole, on its way to the catcher.

The Tennis Team

TENNIS hopes at Neville depend on the exploits of the above team members. The trouble with trying to write a caption under a picture of this sort is that by the time the book comes out, the tennis team's record will be known, and no one can predict what the outcome will be. But most of them are now veterans, having spent the summer on the courts with the expert supervision of Coach Billy McDowell.

SQUAD MEMBERS—*Left to right, in front of the net:* Carolyn Brady, Ann McDonald, Penny Proffit, Nancy Breard. *Behind the net:* Coach Billy McDowell, King Stubbs, Joe D. Guerriero, Carl Aron, Nat Troy, George Varino, Steve Nichols, Bob Mosely and Bobby Johnson.
